TESCO - PROPOSED EXPANSION.

Some of the committee attended an informal presentation by Tesco of their proposed expansion - this would (subject to planning permission) involve extending the front of the shop into the car park and the side of the shop up to the existing spine path. They are negotiating for the purchase of the land on the other side of the path, so that the path could be diverted and kept the same distance from the store as at present. There would also be changes to the goods entrance.

INFORMATION BOOKLET.

We hope to be able to offer advertising space in the very near future. Meanwhile we would like to hear from club secretaries etc.

FIREWORKS - NOVEMBER 1980.

With the building about to start on phases 5 and 12 at the top of the village green, we have lost last year's bonfire site. Has anyone any ideas where we could site this year's bonfire ???

APRIL BAR HILL 'NEWS'

ITEMS FOR INCLUSION SHOULD REACH MARTIN AVERY, 23, FOXHOLLOW BY MARCH 20TH 1980.

The monthly meeting of Bar Hill Parish Council was held on Tuesday 19th February in the Village Hall.

NEW PARISH COUNCILLOR.

There were two nominations for the vacancy on the Council caused by the resignation of Ron Wingate, and it was decided by a majority vote to co-opt Roger Flavell, of 11, Pheasant Rise. We are very pleased to welcome him to the Parish Council and hope that he will enjoy his work as a Parish councillor.

VILLAGE HALL.

The surface of the car park has been greatly improved, due to the much hard work on the part of the Council's Works Department and our thanks go to Mr. Binge and his staff for all their efforts in this direction. We would also like to thank H.H. Electronics for providing the public address system which will be installed in the Hall. Help is still needed with decorations and we would be particularly pleased to hear from any volunteers to help sand down the main staircase preparatory to its being polished. Please contact Neel Matine (tel. 80802) if you are able to help.

STREET AND FOOTPATH NAMES.

The District Council have asked the Parish Council to suggest names for the two roads which will be built in phase 4. Names were previously suggested for these roads some time ago. These being "STONEFIELD" and "LITTLE MEADOW". These names were taken from the old enclosure maps of the area and were the names given to fields on the land now occupied by Bar Hill. However, we should be very glad to hear from villagers who have any other suggestions to make. Please contact Christine Avery (tel 81233). It was also decided to discuss the name of footpaths in the village and this will form a separate item on the agenda of next month's meeting. We should be glad to see any villagers who are interested at the meeting.

ANNUAL PARISH MEETING.

This will take place at 7.30 pm on Wednesday 2nd April in the Village Hall. The Warden of Swavesey Village College is to be invited as guest speaker, and Mr John Burton of Bar Hill Developments Ltd., will be present to outline future plans and answer questions. Our district and county councillors will also be asked to give an account of the past year's activities, as will representatives of various local organisations. A report will be given on the progress during the year at Bar Hill School and Swavesey Village College. All village groups and societies are invited to send a representative to the meeting to give a brief summary of their activities during the year.

Contd.....

Please contact Christine Avery (tel 81233) if you wish to speak on behalf of your organisation. Light refreshments will be served. We feel sure that this will be an enjoyable and interesting evening, and we hope that as many villagers as possible will attend.

FIRE AND RESCUE SERVICE.

The Chairman reported that he had checked out complaints that this service was being reduced in Cambridge which could also adversely affect Bar Hill. He has received assurances from the Chief Fire Officer that there will be no reduction and that there is a proposal to establish a satellite fire station in a nearby village which will mean an improved service for Bar Hill.

THE NEXT MEETING WILL BE ON TUESDAY 18TH MARCH AT 8.00 P.M. IN THE VILLAGE HALL.

SCANDINAVIAN HOLIDAYS.

AFTER THE ATTRACTIVE PRESENTATION OF LOW PRICED, SHORT STAY HOLIDAYS IN DENMARK AS PER THE FILM SHOW GIVEN BY DANISH SEAWAYS IN THE VILLAGE HALL.

LETTER TO THE EDITOR.

The Editor,
Bar Hill News,

Dear Sir,

CUBS & SCOUTS JOB WEEK 7-12TH APRIL 1980.

At a recent meeting of the 1st Bar Hill Scouters & Parents Committee we decided that this year we would try, as we do every year, to get ourselves organised early for Scout Job Week.

Our first hurdle however proved to be a question of pure mathematics. Bar Hill News readers may wonder where all the money goes that we raise on this exercise every year. Well, like any large National Youth Organisation, there is a permanent establishment of both Staff and Buildings which are necessary to co-ordinate the activities of the Scout Movement at National and County level. Each Scout group contributes yearly through a per capita levy towards these running costs.

So what was the "hurdle we came across"? Simply that due to inflation and even with enforced economies at Headquarters the levy this year works out at £3.30 per Cub, Scout and Scouter. In real terms we have approximately 80 boys and 9 Scouters, so we need to raise £311.50 from Scout Job Week to pay our way.

The pure mathematics? Say each job averaged out at 10p, then each boy would only have to do 35 jobs. But that means we would have to find THREE THOUSAND ONE HUNDRED AND FIFTEEN JOBS from the Residents of Bar Hill! So you can see our problem if EVERY home in Bar Hill gave 1 boy a job at 10p we would still fall short of our target.

So what is the answer?

We believe the successful equation should be good advance publicity plus careful planning equals more jobs plus more money.

May I therefore through your columns give the advance publicity? Perhaps your readers would like to make a note of the dates I.E. from 7-12th April 1980 (Easter Week).

Perhaps given this time to think there must be dozens of jobs that need doing around the house you have put off because of lack of time and a lot of these are well within the capabilities of Cubs or Scouts. If so why not start by making a list, so when that Cub or Scout comes knocking at the door you will be as well organised as we are.

There may also be some task that need 1 or more of the older Scouts. I don't know what they are so may I suggest if you have one and think we would help just give me a ring so that we can make prior arrangements.

Contd.....

Contd.....

Finally may I point out that this is not another Sponsored Event, your readers are actually getting a job done for the money. We do not price the jobs, pay the boys what you think they deserve.

We will announce the results of this adventure in co-operation in the May Edition of the 'New'.

Kevin Read-Jones,
34, Acorn Avenue.
Crafts Hill 80384.

BAR HILL SCOUT TROOP.

Once again we seem to have reached a crisis point in the future of the Scout Troop. Roy Evans the Scout Leader is finding it extremely difficult to attend Troop meetings on a Friday Evening.

With 30 boys in the Troop this puts an unacceptable load on our Assistant Scout Leader Pat Scrivener.

We therefore urgently require additional help with the Scout Troop.

So if you or if you know of anyone who could assist us please let me know.

KEVIN READ-JONES,
34, ACORN AVENUE,
C.H. 80384.
